

Statement of Work: S.T.E.V.E.N - Error 404 – The Calculator

Date: 2/23/25

Prepared by: The Nicholas

Client: **Sir** Adam Spanier

1. Introduction

Project Name: S.T.E.V.E.N - Error 404 – The Calculator

Objective: To make an offline calculator that is accessible to people of all skill levels & ages.

2. Scope of Work

Features & Functionality:

- Basic Arithmetic

- Square roots

Exclusions:

- Online functionality

- Persistence of past calculations

- Love of a mother

3. Timeline & Milestones

<i>Phase</i>	<i>Start Date</i>	<i>End Date</i>	<i>Deliverable</i>
---------------------	--------------------------	------------------------	---------------------------

Requirements Gathering	2/18/25	2/24/25	Requirements Document
Design	2/24/25	3/3/25	UI/UX Wireframes
Development	3/3/25	3/10/25	Beta Version
Testing	3/10/25	3/17/25	QA Report
Deployment	3/17/25	3/31/25	Product Launch

4. Deliverables

-Software Application: Team Super Nova will be making as simple easy to use calculator that will be accessible to users of all ages and useful for users of all skill levels.

-Documentation: 3 Ring Binder documenting all stages of development and timeline for completion of all phases.

5. Roles & Responsibilities

<i>Roles</i>	<i>Responsibilities</i>
Nova Solarz (Team Lead)	Direct group action/ Final Decision Maker
Jawaria Warsame (Code Lead)	Implementing all coding decisions
Lateefat Alimi (Design Lead)	Determining design direction
Nick Clark (Documentation Lead)	Documenting all project steps/ team discussions

6. Payment & Budget

Total Cost: \$0

Payment Schedule: Never

7. Risk Management

<u>Risk</u>	<u>Likelihood</u> <u>(High/Med/Low)</u>	<u>Mitigation Plan</u>
Feature Creep	High	Scope Control Measures
Security Vulnerabilities	Medium	Regular Security Audits

8. *Terms & Conditions*

Intellectual Property Rights: Team Super Nova, UNK, **Sir** Adam Spanier

Confidentiality: None, feel free to discuss with strangers

Acceptance Criteria: The due date has arrived; team members and **Sir** Spanier approve of the final product.
